node.js   React.js   Mysql   React Native   knex.js   Storybook   HTML   CSS   Mongo Db   npm   yarn   Javascript   Typescript   Material ui   Git/Github

WORK EXPERIENCE

Lead Developer - Internship
Bluebenu

06/2021 - Present   *Copenhagen Denmark*

Achievements/Tasks

- Creation of a base structure for good coding principles by making a well documented readme on the repo with detailed information on the app setup, styling conventions and git workflows.
- Building a payment system in the app with Stripe.
- Building additional features to the app according to design.
- Creating restFul api's with the needed data structure in the database for additional app features.
- Organizing meetings and sharing tech knowledge with the dev team.
- Finding and fixing bugs in the app.

Software Developer - Internship
anna

12/2021 - 02/2021   *Copenhagen Denmark*

Achievements/Tasks

- Set up storybook and created all new components/features in storybook to unify engineering and design language making it easier to test out and add new features to the app.
- Set up and wrote automated end to end test for the company's application, making it easier to ease pressure on manual testing of new features.
- contributed to cleaning up and restructuring the whole code base for easier maintenance and code readability.
- Fixing bugs in the company's app which in turn contributed immensely to delivering a great user experience for the app users.

Airport Agent
SMS International shore operations

04/2019 - 10/2019   *Copenhagen, Denmark*

Achievements/Tasks

- Meeting and greeting cruise ship guests.
- Arranging for and ensuring a smooth transfer from airport to cruise ship.
- Assisting guests in making luggage claims reports at the right baggage ground handler company in case of lost luggage.
- Assisting guests in locating the right luggage belt and getting their luggage.

Assistant Volunteer's Coordinator
First Intervention Ghana

09/2015 - 04/2018   *Cape Coast, Ghana*

Achievements/Tasks

- Prepare and distribute volunteer placement & host family letters.
- Resolving conflicts and international volunteers compliant for a worthwhile volunteering experience.
- Receiving and organizing orientation for international volunteers for cultural integration.
